

# The 48th IEEE Conference on Local Computer Networks (LCN)

LCN 2023  
October 1-5, 2023  
Daytona Beach, Florida,  
USA

## N2Women Meeting Networking Event & Panel Discussion

*Open to all LCN 2023 attendees!*  
*Date: October 2, 2023*  
*Time: 12:00 - 13:00 (America/New York)*

### Academia or Industry: How should female researchers navigate their career choices?

Please join us for an engaging panel discussion where three accomplished women experts in the field will shed light on the critical decision many young researchers face after completing their PhDs: academia or industry? Gain valuable insights and perspectives to help you navigate your career path effectively. Don't miss this opportunity to make informed decisions about your future!

**Laxima Niure Kandel**  
*Assistant Professor*  
*Embry-Riddle Aeronautical*  
*University*

**Mengjie Lin**  
*Research Professor*  
*Florida Solar Energy Center and*  
*University of Central Florida*

**Soumaya Cherkaoui**  
*Full Professor*  
*Polytechnique Montréal*

Organized by: Eloise Stein, PhD Student, University of Strasbourg and CERN  
([eloise.stein@etu.unistra.fr](mailto:eloise.stein@etu.unistra.fr))

Mentor: Deepti Gupta, Texas A&M, University-Central Texas ([deepti.mrt@gmail.com](mailto:deepti.mrt@gmail.com))

N2 Women is supported by ACM SIGMOBILE, ACM SIGCOMM, IEEE Communications Society, IEEE Computer Society (CS) Technical Committee on Computer Communications (TCCC), CRA-W. More information at: <https://n2women.comsoc.org/>
